

Insurance Responsible Party

Like most dental offices, we'll file your claim with your insurance in lieu of expected payments to be paid to our office. However, *Caring Bear Dental* cannot and will not hold an insurance company or employer as the responsible party. The patient, or parent if the patient is a minor, is directly responsible for all payments to be made to *Caring Bear Dental* including all co-payments and deductibles.

Please note that co-payments made by you are merely an estimation, as we don't know the exact amount your insurance company will pay. The remainder of your balance will be collected once payment is received from your insurance company. If your insurance company refuses to pay, you acknowledge responsibility for full payment of the bill and agree to do so within 30 days of service.
